Privacy Policy

As a customer / supplier of Strong Safety Training Ltd, you will have provided certain company details which fall under the new GDPR legislation. This law replaces the Data Protection Act 1998.

Why do we need this information?

This information is required to communicate efficiently during business transactions and to enable us to provide services to you.

What do we do with this information?

Your company information is stored securely, both electronically and through paper filing systems. As a company we can demonstrate that we have procedures in place to ensure your data is not shared with third parties with the exception of delivery information for services and that it is only used for legitimate business purposes.

What about payment information?

As a customer / supplier you may have provided us with your company bank details to enable us to credit checks. These are kept within our accounts package and protected through a multi-layer of password security.

How long will we keep this information?

Your customer / supplier account, which includes key contacts, company address, telephone numbers, emails, bank details, trading history and insurance certificates / details will be kept on our database as long as you wish to be a customer / supplier of Strong Safety Training Ltd. In-active accounts can remain on the system for a minimum of 7 years. After this time, your account and a company details may be deleted from our files. Should you wish your data to be deleted before this time, please contact us in writing by either email info@strongsafetytraining.co.uk or letter to our head office address.

Strong Safety Training Ltd will not share your company details with third parties or use them for any future marketing purposes. They are required for the sole use of a business relationship between our respective companies.
